

## Self Isolation Work

Week Beginning: 04/01/2021

Year Group: Reception

### Phonics:

This weeks sounds: *y* and *w*

*y*: up, down-under-up the horn, down and tickle his chin with a curl!

*w*: Up the worm, down-up-down-up and flick!

Practise saying the rhyme, writing the letter in different ways- magic finger, in a bowl of sand, felt tips, paint, tablet screen, make it using small objects like grains of rice!

Can you find things beginning with these letters?- draw them! Can you find these letters around the house, in your book, is this letter in your name?

Using the letters below, make some CVC words to practise Freddy Fingers!

*m a s d t i n p g o c k u b f e l h s h r j v y w*

### Maths:

This weeks mathematics focus: Consolidate 1-5

We will be consolidating and reassessing this week in class to see where all the children are at before we move onto Series 2- (number 6-10 and skills.)

If you go back through the previous self-isolation articles, you will find a wide range of sheets and work to complete- this will help with consolidating 1-5 and having a deep understanding.

### Writing:

We are practising writing words independently this week drawing on our knowledge of sounds!

So, parents say the word... you (pupil) then need to use freddy fingers to think about what sounds you can hear! Once you think you've got the sounds in the correct order orally, you need to write them, using your cursive font!

*Cat leg red frog sit hat pig pin*  
*yet lets fun swim men ship thin*  
*chat fish chips that*

This can be made into a fun game by playing charades or Pictionary and you have to guess the word!

This can then be extended to make your own simple sentences: A cat on a mat. Can you draw it?

*a b c d e f g h i j k l m n o p q r s t u v w x y z*
