

North Stainley CE Primary School

*We are our school, we have our roots and foundation in
love*

Our school is us, we will grow, blossom and flourish.

Pupil Premium Policy

Policy agreed: 24.3.2021

Headteacher: *LE Wallen*

Louise Wallen

Chair of Governors: *Nathaniel Potts*

Nathaniel Potts

Policy to be reviewed: March 2023

As a church school we value each individual and seek to be a place where all are welcomed and treated with dignity and respect.

Our school vision speaks of us having our roots and foundation in love. Love is the rich soil in which all our Christian values take root. Living out these values will enable us all to grow, blossom and flourish and become confident, successful and responsible citizens of our amazing world.

Our school vision of having our roots and foundation in love comes from St Paul's letter to the Ephesians. St Paul says "I pray that Christ will make his home in your hearts through faith. I pray that **you may have your roots and foundation in love**, so that you ... may come to know his love — although it can never be fully known — and so be completely filled with the very nature of God. (Ephesians 3: 17-19)

Love is the rich soil in which all our Christian values take root.

Friendship
Empathy

Respect
Independence

Resilience
Aspiration

Living out these values will enable us all to grow, blossom and flourish and become caring, confident, successful and responsible citizens of our amazing world.

All children and young people are entitled to an education that enables them to make progress so that they achieve their best, become confident individuals living fulfilling lives, and make a successful transition into adulthood, whether into employment, further or higher education or training (6.1 Code of Practice)

Overarching Principles

All staff and governors accept responsibility for those pupils recognised as 'disadvantaged' and are committed to meeting their pastoral, social and academic needs. Every child who is considered to be 'disadvantaged' is valued, respected and entitled to develop to his/her full potential, irrespective of disadvantage.

Background to the Pupil Premium

Introduced in April 2011, the Pupil Premium is a Government initiative that provides additional funding aimed at pupils from deprived backgrounds. Research shows that pupils from deprived backgrounds underachieve compared to their non-deprived peers. The Pupil Premium is provided in order to support these pupils in reaching their potential by accelerating their progress. The Government has used pupils entitled to Free School Meals and those who are looked after as an indicator for deprivation. They have given a fixed amount of money to schools per pupil, based on the number of pupils registered for Free School Meals and who are looked after by the Local Authority. A premium has also been introduced for children whose parents are currently serving in the armed forces. This service premium is designed to address the emotional and social well-being of these pupils.

Overall Objectives:

- We will ensure that the Pupil Premium funding reaches the groups of pupils for whom it was intended and that it makes a significant impact on their education and lives.
- The Pupil Premium will be used to provide additional educational support to improve the progress and raise the achievement for these pupils.
- The funding will be used to narrow and close the gap between the achievement of these pupils and their peers.
- We will use the additional funding to address any underlying inequalities between children eligible for Pupil Premium and others.

How we will ensure effective use of the Pupil Premium

- The Pupil Premium will be clearly identifiable within the budget.
- The Head teacher, in consultation with the governors and staff, will decide how the Pupil Premium is spent for the benefit of the entitled pupils. Funding will be allocated following a needs analysis which will identify priority groups or individuals.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged or underachieving. We also

recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We therefore reserve the right to allocate the Pupil Premium funding to support any groups of pupils the individual school has legitimately identified as being socially disadvantaged.

- We will assess what additional provision should be made for the individual pupils.
- We will be accountable for how the additional funding is used to support the achievement of those pupils covered by the Pupil Premium.
- The Head teacher will report to the governing body and parents of pupils on how effective the intervention has been in achieving its aims, including publishing online information about how the Premium has been used.
- We will monitor the impact of the strategies put into place through the funding to ensure that value has been added to the education of the entitled children.

Provision

We will regularly seek to further develop strategies and interventions which can improve the progress and attainment of these pupils. Examples of the range of provision we may put in place include:

- Early intervention
- Providing small group or 1:1 support tuition with an experienced member of staff to focus on overcoming barriers to learning
- Social and emotional aspects of learning personalised programmes
- Facilitating pupils' access to education and the curriculum through additional or specialist resources e.g. specialist software
- Additional teaching and learning opportunities provided through peer tutoring, homework support, raising aspirations.

Reporting outcomes

It will be the responsibility of Head teacher to produce a report for the Governing Body that will include:

- The progress made towards closing the gap, by year group, for disadvantaged Pupils, analysing progress for those in receipt of Pupil Premium against those not in receipt.
- An outline of the provision made during the term since the last report.
- An evaluation of the cost effectiveness, in terms of the progress made by the pupils

The governors will ensure that there is an annual statement to parents outlining how the Pupil Premium funding has been used to address the issue of closing the gap for socially disadvantaged pupils.
