

## Summary Parent Survey 1

### Dear Parents/Carers

Thank you to those of you who took the time to complete our parent survey. The information we gather from these surveys supports continued development and improvement of our school. Please see the results of our survey below which have informed both governors and staff.

As a result of this survey we have established that we need to have more transparency around information referencing how bullying is addressed in our school.

Please note that our anti bullying policy is on our policy page on our website. This is consistently adhered to. Our school values are core to everything that we do in school and these includes Friendship, Respect and Empathy. We have an annual 'Anti bullying week in which we teach and learn what bullying is, how bullying impacts on our peers and how bullying should be addressed. Complaints of bullying will be taken very seriously, thoroughly investigated and dealt with immediately. Please do not hesitate to contact us if you believe your child is being bullied.

In answer to Question 8 (the school supports the wider development of children). Enrichments, enhancements and extracurricular activities are important to the ethos of our school as we most concerned with developing the whole child. We report these numerous activities in our half termly newsletter, our website diary references these activities on a weekly basis and we offer daily after school activity clubs across the year.

In response to this survey and from talking to parents, we will be re-opening the school playground to parent at pick up time (3.30pm) as school feels the end of the day is a time when teachers are more able to communicate with parents and vice-versa. There is also a hope that parents will be able to feel a part of our school rather than being isolated out on the pavement. If, however you do need to contact school for any matter please talk to a member of staff on duty in the morning, telephone Rachel in the office or Email [admin@northstainley.n-yorks.sch.uk](mailto:admin@northstainley.n-yorks.sch.uk)
