

# North Stainley C of E Primary School Summer term 2 End of Year Addition

## As We Say Good Bye To Our Wonderful Year 6 Children.

Whilst here, you have shown the utmost resilience, the kindest of friendship, the consistent respect, the overwhelming empathy, the independence of action and of thought.

We know that you will work hard to grow, blossom and flourish in whatever you choose to do.

And now Year Sixes you are ready to follow your aspirations and I have no doubt that you will all reach for your very own stars and even if it is on tiptoes and outstretched finger you will touch those stars. All the very best to every one of you.

*“our values are like roots holding us firm.”*

## The 5 Ways to Wellbeing

### 'Let's Celebrate!'

Many children from every year group have received Purple Ribbons, this half term. They have earned a purple ribbon for showing our school's Christian values in their work, with their friends and around school generally. Thank you to all of the children who make our Friday celebration worship so special.

White Ribbons this term have been awarded to those children who have achieved something really extra special and they are James Khan, Bailey McGavin, Ben Khan, Thomas Wallace, William Flintoft, Boe Hudson and our very own Mrs Thomson.

Our Wellbeing Champions, William, Tom and Jasmine, represented us once again at the Cluster Ambassador's meeting. It was a very productive meeting with all our local village schools contributing ideas for a children's wellbeing policy. Thank you to these three for their work on this.

## The Great Yorkshire Show Veg Box Competition.

Our entry for the GYS school's veg box competition 'The Best of British' got through to the final judging; this meant that we were able to take a group of children along to the show.

From building the box and decorating it; propagating seeds and planting out seedlings; to watering and weeding; the whole school played a part. We put together an excellent diary and spoke confidently about our box to the judges from RHS Harlow Carr. Although we were not overall winners it was a fabulous experience for everyone and a wonderful learning journey. Thank you to Miss MacArthur and Mrs Platts for all their expertise and support.

## A BUSY HALF TERM!

### Lightwater Valley Day trip.

The whole school had an exciting and adventurous day out at Lightwater Valley in June. They were able to spend the entire day having fun with their friends after Benjamin Morley won the school a free trip to the theme park.

### Ripon Cathedral Workshops and Concert.

KS2 visited Ripon Cathedral this half term. In the morning they had history workshops learning all about the monks from Fountains Abbey and their links to the cathedral. In the afternoon the children attended a concert based on the founding of the Cathedral.

### Dallowgill Moorland Conservation Visit.

It was a real 'hands on' experience when the school visited Dallowgill Moor recently. Learning about moorland conservation and what contributes to this.

This also linked into the teaching of science and geography in our school. With workshops and lessons from the experts.

# A Heartfelt Thanks

I would like to say thank you to our school Governors on behalf of everyone here at North Stainley School. Thank you for your unwavering support over this academic year. You have consistently worked to provide the school with the support required in both resourcing and education.

Thank you to all of the dedicated staff at our school: kitchen, teaching, administrative, support and cleaning staff. All of you [play a vital role in providing our children with a wonderful education and school environment in which they can thrive.

To the Volunteers; we offer our thanks to Mrs Mansell, Mrs Holden and Mrs Fawcett who come in every week to support the children's learning in many different ways. Hopefully we will see you again in the Autumn term.

**Thank you FONSS for raising funds to help our children to have the very best of experiences. For the Lightwater Valley Run, The Summer fayre and the other creative ways you raise money.**

And last but not least. We say a great big thankyou to Mrs Thomson who has supported the school for over 20years in her role of Advanced Teaching Assistant. She has supported generations of children to learn and to fulfil their potential. And although you will be greatly missed we all wish you the very best on your retirement!
