At the end of a busy term, let's take a moment to celebrate our wonderful Year 6 leavers and wish them all the best in their futures. In the Leavers Service today we thought about endings and beginnings. And how one comes both before and after the other. How they are inextricably linked.

Some things come to an end,  
Time is passing by,  
Another things just starting up,

## The Last Weeks of Term

### Wellbeing Day on Monday the 3rd of July

This was particularly enjoyable, the activities were planned by our Wellbeing Ambassadors Jasmine, Tom and Luke and included a whole school walk, time in the Play park and the Jubilee Garden and an afternoon of mindful activities and dance. Wellbeing days are important to both the children and staff in our school. This is why we ensure that there is a school wellbeing day every term. A time for us to get together and follow our 5 Ways To Wellbeing Programme.

### The Dogs Trust visited School On the 11th of July

All of the children attended a presentation from the Dogs Trust. Their representative Suzie Douglass explained exactly what the Dogs Trust did for the vulnerable animals in their care. This came about as a result of a suggestion by Esme S, and with the view that next year the children will look at different ways to fund raise for this worthy cause.

The year 6 leavers service took place in Ripon Cathedral on the morning of the 7th of July.

Our Year 6 boys went along to celebrate 'moving on'. This was attended by a number of Church Schools from the Ripon and Harrogate area.
