

# North Stainley C of E Primary School

Date: 23/06/2023

## Our School Vision

We are our school we have our roots and foundations in love.

Our school is us we will grow, blossom and flourish.

It is quite appropriate that this week is NATIONAL SPORTS WEEK and although we got off to a bit of a slow start with the delay to our Sports day, we have made up for lost time since.

The sun shone on Thursday afternoon and we were all able to enjoy this fabulous sporting event. The children competed in their houses earning points both for being placed, for good sportsmanship or for showing our school's values. The children made us all very proud with endless acts of kindness and support for each other. A huge thank you to Miss Williamson and to all of the Class 3 Ambassadors who worked hard planning, organizing and managing this event for the school. Thank you to FONSS for paying for the ice-lollies, these were very much appreciated considering how warm the afternoon was.

It was an extremely close finish that required a pre-school and a parents race to decide the outcome. Thank you to those parents who bravely took part. The final scores were Sunflower 78, Poppy 80, Clover 85 and the winners were Snap-Dragon with 90 points. Snap-Dragon were awarded the Sports Day cup in Collective Worship today.

As you will see in the diary dates, FONSS are planning a Summer Fayre on the 14th of July. This was a huge success last year and enjoyed by everyone who attended. Please add the date to your diary and come along and join us straight from school at 3.30pm.

The children and staff have nominated a member of our team for the White Ribbon award this week. Congratulations to Mrs O'Gorman! Everyone was really impressed with all the running and the distance you must have covered on sports day.

Purple Ribbons this week went to Toby, Rafferty, George, Harvey, Ollie, Tom, and Bailey. Please see the class pages on our website for more details.

## Diary Dates

- 26th-29th June - Class 3 France
- 28th June - Class 1 Forest Schools
