

# North Stainley C of E Primary School

Date: 09/06/2323

## Our School Vision

We are our school we have our roots and foundations in love.

The final half term of each academic year is always full of fabulous experiences, particularly for our Year 6 children moving onto secondary school next term. On Monday Class 2 are heading off to Bewerley Park Outdoor Centre for an overnight stay. For some of our year 3 and 4 children this is their first overnight stay away from home, an experience in itself, in addition they will learn many new outdoor skills. There is a French trip for Class 3 in a couple of weeks and Madame Heap will be teaching some extra French booster classes in preparation for this. We have a number of sporting activities in the pipeline that will be confirmed and added to the calendar shortly. The reserve date for the sports day has been removed and should we need to add this after the 20th June we will let you know.

Please take note of the other diary dates on this page and on the website to ensure that you and your child/ren don't miss out on anything.

Learning in school continues along with all the other enrichments. Please see your child's class page on the website. In the curriculum area you will find an overview of what your child is learning this half term.

Multiplication check have been taking place this week, for which, the Year 4 children have been putting in a lot of hard work. Well done to all of them. There will also be phonics screening checks for Year 1 children this month, keep up the good work at home, practising and blending sounds.

Please ensure that your child continues to read, practise their spellings and work on their maths passports for the remainder of the term and over the summer break to ensure that there is no loss of learning and so that your child/ren's fluency is maintained across transition into a new year group.

The school has been contacted by a member of the local community concerned about the safety of the children and the adults at drop off and pick up times. They are particularly concerned about parking on the road outside of the school. Please ensure that you do not park on the zig-zag line and if possible avoid parking in front of the gates.

Thank you

## Diary Dates

- 12-13th June - Residential trip - Bewerley Park Y3/4
- 13th June - New Starter Taster Day
- 14th June - Class 2 Forest school
- 19th June - JAM

- 11th July - New Starter Taster Day
- 12th July - Class 3 Forest Schools
- 18th July - KS2 Production, New Starter Taster Day
- 21st July's Leavers Service St Mary's

*Purple Ribbons this week have been awarded to Bailey, Esme S and Jasmine in Class Three. Beatrice, William, Esme G, Luke, Freddie, Ollie, Thomas and Sammy in Class Two . Toby, Beauden and Poppy in Class One. Very well done to all of these children who have displayed our values across their work and in school life. Please go to our class webpages to find more about how the children earned their purple ribbons.*

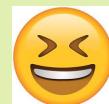

*We celebrate achievements both in and out of school. Well done Ted for being awarded two rugby medals and some very special laces for your boots.*

*Children from Class One were really excited to show and read to us their wonderful writing describing an experience in a thunder storm. We were all very impressed with this descriptive writing and how beautifully it was presented.*

*What a 'WOW' moment!!*

*Share this news report with your child to find out what they have been doing in school this week. It is always a useful prompt when you ask them and they say 'they haven't done anything'*

Oh what fun!! Reception children have been learning phonics sounds then practising writing in shaving foam. Messy but effective.

*Skip to be fit.*

Both at sports club and during PE sessions the children are being challenged to skip themselves fitter. Using skipping ropes that count their skips they will each be learning a new skill or trying to improve their PB's over this half term.

It was impossible to resist snapping a few pictures at play time today. The children had the scrap store out and were playing imaginary games in imaginary offices and dens, they were climbing, rolling and having a fantastic time.
