Dear Parents, Grandparents and Carers

### **RE: End of Day Collection**

We would like to invite anyone picking up from school at 3.30pm to come into our playground to collect their child/ children. Due to Covid restrictions, it has been sometime since we have been able to do this. We believe that picking up your child from the safety of the playground also encourages us all to be more sociable and enables easier communication with teachers and staff.

We do ask however, that at morning drop off parents continue to send their children in through the gates as this proves far more time efficient and enables the children to be in class promptly. It also supports any children with separation issues. As always this does not apply to reception parents.

Thank you for your ongoing support.

Louise Wallen

“Your support for your child’s education is crucial to their progress. Please tell us if there are any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school nurse; or a discussion with a school counsellor of the same gender.”
